

Mr. Kelvin Fok is now working as Senior Project Officer at the Centre of Civil Society and Governance of HKU, for the Partnership for Sustainability Leadership in Business project. After graduating with a Master of Science in Environmental Management from the University of Hong Kong, Kelvin was a sustainability consultant in planning and executing a variety of ESG projects for listed companies. Together with his prior work experience in the field of communications, he hopes to mainstream sustainability.

霍偉傑先生現任香港大學公民社會與治理研究中心高級項目主任，推動香港商界永續發展的計劃。霍先生於香港大學修畢環境管理理學碩士後，成為可持續發展顧問，為上市公司規劃和執行不同環境、社會及管治項目。連同之前傳訊工作經驗，霍先生希望將永續發展主流化。
